

Disney's The Little Mermaid

January 12 – January 15, 2017

Set under and above the high seas, The Little Mermaid tells the story of Ariel, an adventurous young mermaid who's got a thing for disobeying the rules and following her heart. Ariel's fascination with the human world often leads her to the sea surface, a zone that's designated as "off-limits" by her father Triton, the sea king. One day while sneaking to the surface, Ariel witnesses a shipwreck and rescues Prince Eric, with whom she become instantly smitten. Furious at Triton's inability to understand her love for the prince, Ariel runs away and strikes a deal with Ursula, Triton's evil witch of a sister, to experience the life she dreams of on land.
