

Volunteer Engagement Committee

"The Voice of the Volunteers"

The Guest Experience Management Team is constantly searching for new ways to improve your already outstanding program! The Volunteer Engagement Committee is a group of your peers from the Usher Family that provides feedback on the way that policies and initiatives within the volunteer program are received, and provides the Guest Experience Volunteer Coordinator with any concerns or suggestions from our Active Volunteers.

The Engagement Committee is nominated annually by the Fox Theatre's Floor Captains, who work closely with the ushers to ensure success. This team of eight Volunteers meets quarterly with the Guest Experience Volunteer Coordinator in a roundtable discussion.

Nominations are currently underway to your 2017 Engagement Committee! Please check back soon to meet your team!
