

Brilliantly innovative, heartbreaking, and wickedly funny, *Hedwig and the Angry Inch* is the landmark American musical by **John Cameron Mitchell** and **Stephen Trask** that is “groundbreaking and undoubtedly ahead of its time” (*Entertainment Weekly*). This genre-bending, fourth-wall-smashing musical sensation, with a pulsing score and electrifying performances, tells the story of one of the most unique characters to ever hit the stage. “Internationally ignored song stylist” Hedwig Robinson is out to set the record straight about her life, her loves, and the botched operation that left her with that “angry inch.”
