

YOUR HOMETOWN THEATER ACTIVITY SHEET ADDENDUM: LIST OF PARTNER THEATERS

Since 2008, the Fox Theatre has worked with more than 80 theaters across Georgia. One of those theaters might be in your very own hometown! We love sharing our community partnerships programs with these theaters and hope you will visit your hometown theater.

Look at this list of all the historic and new theaters and where they are located here in Georgia. Do you see your own theater on this list?

If you see your hometown theater, circle it in **red**. If you see others you have visited, circle those in **green**.
